# ST MARTINS SCHOOL

22 June 2018

We have a busy week in school as we welcome many of our local primary school's as they take part in a week of workshops with a far eastern theme. From Japanese origami , music and shadow puppets, Weston Rhyn , Gobowen and Criftings schools will have a fabulous cultural experience.

We also welcome our new intake in this week—students joining year 7 in September come for their taster day where they take part in a typical school day, getting to know each other and their tutors before tutors meet with their parents.

Thank you to Pc LeClere for coming in to speak with our year 4—6 students about staying safe on line. If parents have any concerns or require any more information please contact school.

On Tuesday as usual , I will have my open Door I session from 2.20-3.20pm. I see visitors on a 'first come first served' basis, so please pop in with any queries. Ms Lovecy

## Sports report

Our year 8 and 10 girls recently played a rounders match against Lakelands School. Conduct as usual was outstanding and remarked upon by their teacher.... plus fantastic results too! Year 8 won 15 – 11 ½ . Jess Harvard-Young player of the match. Year 10 lost 8 ½ - 12 ½ (but it was 5 ½ draw after first innings!)
