

St Martins School

3-16 Learning Community

Thank you for the interest you have shown in our school. St Martins School is a very special place to work. We deliver child-centered, individually tailored education because of our small size and unique position in our community. This family ethos surrounds all who work and study here, creating a safe, supportive and nurturing environment. This is an exciting time in the development of our school and I hope you will agree that this role will present you with real challenges and opportunities. I very much hope that, after reading the information below you will feel that you want to play your part in our process of rapid improvement and innovation, securing progress and achievement for all our students.

The Context

North West Shropshire is a rural area with a mining heritage. It is located on the Welsh border with easy access to the Welsh hills. Many staff live in the surrounding countryside while others take advantage of the fact that historic urban areas such as Shrewsbury and Chester are in comfortable commuting distance. Oswestry, a thriving market town, is five miles from the school. The area offers a wide variety of attractive housing at prices which compare favourably with other parts of the country.

The School

St Martins School has undergone a transformation over the past five years. New new leadership, new buildings and facilities, new 'through school' and now our new academy status with the Priory School Trust. We work in collaboration with two of the most successful schools in the country. Firstly, The Priory School, our academy partner, and we also continue to work with Moreton Hall School, the leading non-selective school in the country. We are delivering a community curriculum across all our feeder schools, which supports KS2 teaching with exciting projects taught by secondary subject specialists. This work is in addition to the 'cross phase' teaching that already takes place within our school, which enables:

- Sharing examples of good pedagogy between phases
- Enhancing continuity between the phases
- Developing an all through school ethos

REPORT CARD

Our mission as part of the Priory School Trust.

We build an education for our students such that they are:

- selfless
- self-assured
- successful

The following ethos is a commitment shared by staff and governors. We will:

- Recognise and foster academic ability so that individual excellence can be achieved.
- Deliver the highest quality teaching, enabling children to maximise their potential throughout their learning journey 3-16
- Create a family ethos of safety, support and nurture where respect for each other is a given
- Create an inclusive environment where children of all abilities and backgrounds make a positive contribution to school life and the wider community
- We will encourage children to think independently and make informed decisions enabling them to have high aspirations about their future
- We will work with children and families in constantly reviewing progress and supporting differing developmental needs

This is an incredibly exciting time as we further develop and maximise the value of being an all through school through the development of the three phases across the school to create synergy, whilst continue to be at the centre of our community and deliver our Community Curriculum with a feeder primary schools
