Key Stage 4 information

Overview

At St Martins School we also study 'arts' for all. We passionately believe that creativity and adaptability are two key characteristics that employers of the future will be looking for. Our Arts courses develop our student's confidence and resilience and enable students to shine in a variety of disciplines including art, dance, music, and acting. Students will choose an Arts option in year 9 and will continue with this course through year 10 and 11.

ARTS - ART AND DESIGN

Qualification obtained: GCSE Art and Design OCR

Brief outlines

Portfolio (60%)

The OCR syllabus requires that students submit **one unit of coursework** (Portfolio). This body of work will constitute 60% of the final grade. This *coursework* will be completed in lesson time, art club and at home throughout Year 10 and up to the end of the Autumn Term in Year 11. The successful student will need to keep a sketchbook and be self-motivated and enthusiastic about working outside lesson time.

Exam (40%)

The remaining 40% will be determined by an examination. Exam papers will be issued to students from the beginning of January in Year 11. Each student will prepare an answer (over several weeks) to one question posed by the examination board (OCR). Following this a final outcome will be produced during a formal 10 hour examination (*over two whole school days*). The resulting body of work is produced and marked in the same manner as the Portfolio unit.

How it is assessed

All work produced in class and at home will count towards the final grade. The students work will be exhibited in the Art Department at the end of the course, which in turn is assessed by staff then moderated by an external moderator. Portfolio and exam will be assessed using the OCR Criteria below.
