

Dear parents/carers,

For our CID project this half term, Year 2 will be making a model of house in London in 1666. You can use junk modelling or even lego. You could also choose to create or reproduce a picture depicting a scene from London during the great fire. You could draw, paint, collage, use chalks or use a computer paint package to create your picture. You can be as creative as you like!

Have fun!

Mrs Evans
