

ST MARTINS SCHOOL

28 January 2022

We have a lady from the Happiness Club visiting school every Thursday working with the students in primary to improve wellbeing. They have learnt how to identify their emotions and how we feel them e.g. tingling in my hands. They have also looked at breathing techniques to help with sleep and remain calm. This session in the photos looked at releasing tension and they then created happiness jars. After the sessions students felt very relaxed and happy. She will be working with secondary students later on this term.

On **Wednesday 16th February**, we have a **WOW** day. Secondary students will be completing a range of activities (more information to follow), and one of these activities is to create a mood-board of things which make them happy. We aim to have some magazines/catalogues etc available, but if you have any suitable magazines available, particularly ones which are focused on music or hobbies, then could you please consider donating them to us? They can be sent in with students, who should take them to Ms Evans. If students have a specific interest, we would love for them to bring in their own pictures/materials on wow day to use on their mood-boards.

Please email tammy.evans@stmartins3-16.org if you have any questions or queries about this.

Our Student leadership group met with me over lunch last week to discuss school issues, including year 11 prom, free sanitary products and this year's house charities. I will be meeting with all of year 11 on Monday to discuss the prom in more detail but we have pencilled in THURSDAY 23 JUNE. We also discussed the problems that a few students are causing in our toilets. We have now re-installed the CCTV cameras into the main toilets in our hub which were disconnected when we had the re build. The cameras are recording to a screen which is locked away in the server room, this can only be viewed by senior members of staff. The camera looks down the line of sinks. The cameras are there to stop any malicious damage, food being eaten in the toilets and would pick up on any truancy or bullying incidents So will help safe guard students.

Have a lovely weekend, Ms Lovecy

ST MARTINS SCHOOL

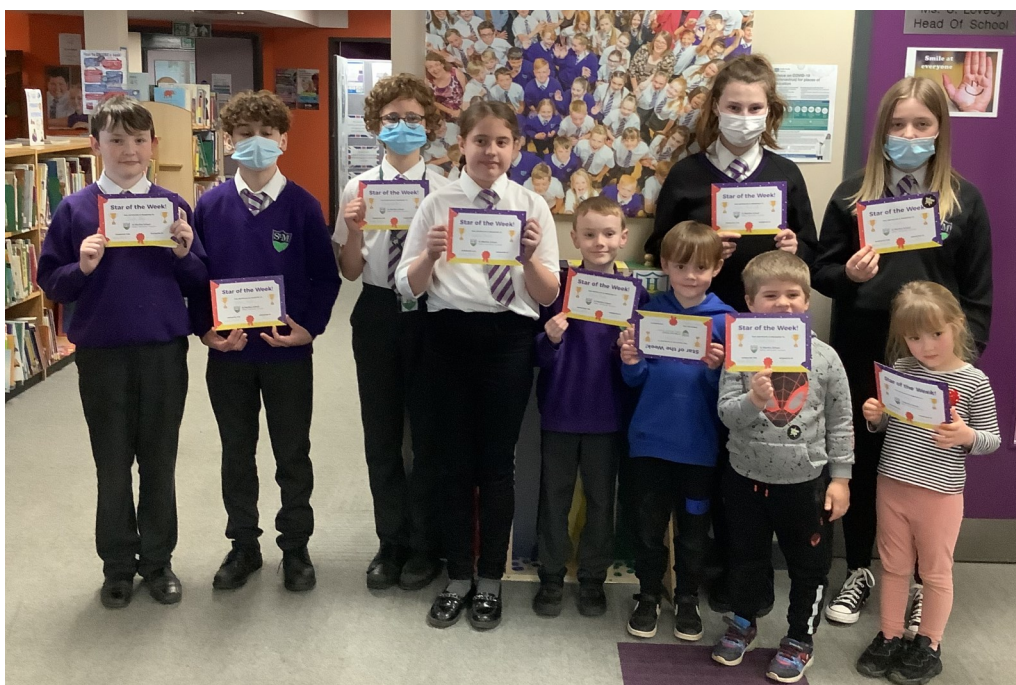

28 January 2022

Year 11 Food Preparation & Nutrition students have been cooking a selection of amazing dishes this week as part of their GCSE assessment. Dishes have included homemade pasta, choux buns, freshly baked bread and spicy chicken curries. Staff and students were all eager tasters and lots of recipes were shared. All students worked extremely hard with fantastic results. Mrs Ellis is very proud of all the hard work and dedication.

Well done to our House Point of the week stars! These are the students who have earned the most house points this week in their year group. At the end of the school year there will be lots of prizes to win so keep up the fantastic work!

- Josie Smout - reception
- Michael davies - yr 1
- Oscar Vickers - yr 2
- Dylan Peate - yr 3
- Isla Gunn - yr 4
- Isabella Davies - yr 5
- Joseph Edge - yr 6
- Stanley Hufton - yr 7
- Kaden Nash - yr 8
- Keira Penniall - yr 9
- Chloe Glover - yr 10

ATTFIELD THEATRE STUDIO THEATRE EVENINGS for age 15 and 16 interested in performing arts

The Attfield is back! It was great to see Wild Goose Chase finally performed and now we are full of enthusiasm for the next two Productions this season.

New this season is our proposed STUDIO THEATRE weekend - This is a great opportunity for younger performers to be involved in an innovative, creative and thought provoking Studio Performance. If you are interested in performance, script writing, set design, lighting, sound, stage-managing, this is an ideal opportunity to be part of a new venture for the Attfield. Don't be shy come and be apart of this exciting project.

We are getting together on MONDAY 31st JANUARY at 7.30 at THE ATTFIELD

For more information Call Debbie on 01691 653413 or email debbie.llysaber@yahoo.co.uk

We believe that period products should be made available to those who need them in education as they're a necessity, not a luxury.

School has consulted with our student leadership team and will ensure that products are available in tutor rooms, the first aid room in the hub, inclusion, the sports hall, and with staff in primary. This means that learners who need them have access.

If any parent would like any more information please contact Man-di.jones@stmartins3-16.org

We are happy to discuss any request to send any products home if needed.
