

ST MARTINS SCHOOL

11 February 2022

As many of you will know GCSE exams will be going ahead this summer. The Department of Education has issued information about the package of support that they have put in place. This includes:

- Exams will cover less content than usual.
- In the exams there will be a choice of topics on which students must answer questions.
- Examiners will build in generosity for students when setting grade boundaries.

We are working closely with all our GCSE students to ensure that revision topics and interventions are targeted.

On Wednesday we have our second WOW DAY of the year with a focus on Wellbeing, happiness and resilience. Students across the school will be taking part in a range of activities as the usual timetable is removed. It is a non uniform day for all; primary students have already been informed if they require any specific clothing. **In secondary every student will be taking part in a canal walk so will require an outdoor coat and suitable footwear**

WORLD BOOK DAY®

Changing lives through a love of books and shared reading.

On Thursday 3rd March, we are celebrating World Book Day! Students can come to school dressed as their favourite character from a book or their favourite author.

If students wish to come to school in their own clothes (non-school uniform), we would like a donation of a book rather than the usual fee of £1.

Ms Evans has arranged some exciting events; selected year seven students will be taken to 'Booka' book shop in Oswestry to spend their free book token. We will also be making this day a 'Pens Down Day', meaning that students will use creative methods of demonstrating their learning. Last but not least, we will be challenging students to guess who is behind the mask in 'The Masked Reader'. Five mystery people have been filmed reading, whilst wearing a disguise. These videos will be shown to students through the day, and students will try to guess who is reading the passage. All will be revealed the next morning !!!

A reminder to year 11 to get their orders in for the leavers hoodies by the 28 February. Prom will be the 23 June at Henlle Golf Club as this was voted for by most of year 11. Details will be available soon but ticket price will be £29!

Have a lovely weekend Ms Lovecy

ST MARTINS SCHOOL

11 February 2022

Mr Wilko helping year 5 with some trick maths problems—have a look on Instagram for his latest photoshoot with the Shropshire Star!

Well done to our House Point of the week stars! These are the students who have earned the most house points this week in their year group. At the end of the school year there will be lots of prizes to win so keep up the fantastic work!

Yr 9 James Hebson

Yr 8 Bethany King

Yr 7 Maddison Evans

Yr 6 Aku Otuo Serebour

Yr 5 Leo Nash, Yr 1 Naomi Winwood

Well done to the students who represented the school at the U14 Netball tournament in Ellesmere College. Some of these players had not represented school before and played brilliantly. I hope they play again in the future. Special mention to the two year 8 girls, Belle and Lexie, who strengthened this team as many players were at cadets tonight. They played amazingly. The team tonight were:-

Year 9

Emma W (GA, GS, WA) , Millie D (GK, GD), Sophie P (WA)

Amelia G (GA, GD), Hollie P (WD), Tyler S (GD, GK)

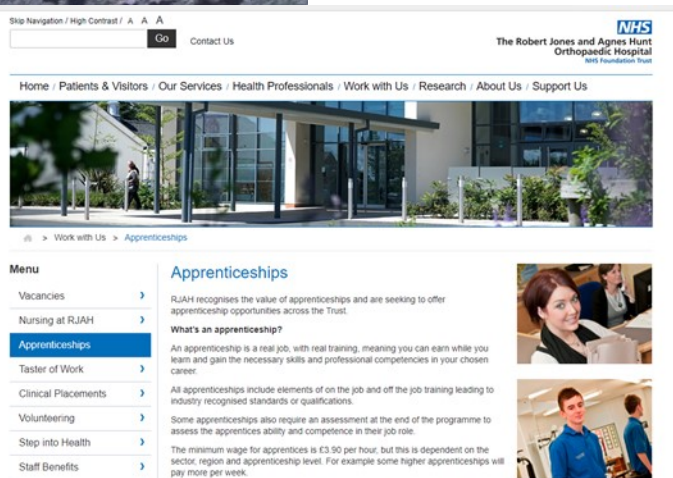

Kizzy D (GA, GS, GK)

Year 8

Belle W, Lexie S

Emma W was captain for four games and Lexie was captain for one game. Results were: 5-0 to Thomas Adams 2, 1-0 to St. Martins v Corbet Blue, 4-2 to Thomas Adams 1, 4-0 to Corbet Green and 7-1 to Grove.

Balance ability for Reception to Year 2 starts on 14 February. Here's a link with more information about it [We Love Balance — Learn Cycling](#) Letter home to follow

OUR BIGGEST LOCAL EMPLOYER RJAH will be attending our CAREERS FAIR on the 18 FEBRUARY—they have some fantastic apprenticeship opportunities, not only in clinical areas but admin, finance, maintenance amongst others

ADHD workshop - 7th March 2022 at Shrewsbury School - for parents

"Supporting your child's ADHD." 5:00pm- 6:30pm, including Q&A.

In this session for parents and carers, and students we will explore the latest thinking on ADHD, including up to date research and how positive parenting approaches can support children and young people's development. The session will cover some of the most important concerns for parents and carers including sleep, diet, self-calming approaches, ADHD as a "superpower" and addressing anxiety.
