

ST MARTINS SCHOOL

23 June 2022

We said farewell to our year 11 students yesterday after their final exam. As is the custom, staff and students signed their school shirts and they also had a doughnut and a glass of non alcoholic fizz as a celebration.

We had a fantastic Prom at Sweeney Hall, and thank you to all the staff who gave up their own time to make this such a great occasion. Photos to follow in next weeks newsletter!

The next time they will be in school will be on GCSE exam results day which this year is on THURSDAY 25 AUGUST. But until then have a fantastic and relaxing summer. you've earned it!

Our final WOWDAY of the year was a fantastic day! educational trips, visits and projects that enhanced our curriculum.

Year 1 learned all about India and practised Bollywood dance moves, in a dance workshop tasted some Indian food and made Rangoli patterns with chalk outside in the sun. More photos of the rest of school in this newsletter!

Have a lovely weekend, Ms Lovecy

Year 7 travelled the world for their WOW DAY, checking in with their flight, enjoying on flight snacks served by our own air stewards before enjoying food and culture at their chosen destination! There were minimal queues and no lost baggage...perfect

Year 5 spent the day exploring 'The Best of British'. Children enjoyed a tasty menu of traditional British food and made their own cucumber sandwiches and Eton Mess which they enjoyed outside in the sunshine. The children debated over whether cream or jam is the first thing to be added on top of a scone and discovered that our 'British' foods come from all around the globe with some even dating back to the 17th Century.
