

ST MARTINS SCHOOL

7 June 2024

Welcome back to school! GCSE exams continue for a few more weeks and other year groups are sitting mocks, end of year exams and assessments across the school. Students are prepared, calm and focused which helps them to do the best they can.

Mr Wilko has been out and about with year 7CJ this week on a visit to Aico where he helped with wiring plugs and smoke alarms as well as helping in the packing areas. The rest of year 7 will be visiting Aico over the coming weeks.

Our **Sports day will be on Tuesday 16 July and will be followed by a craft and plant fair**—so far we have primary classes organising the following stalls—Nursery – Sunflowers, Year 1—teddy bear tombola, Year 2 – cake sale, Year 3 – decorated baskets, Year 4 – toy stall (donations if you have anything can be handed to class teacher or reception), Year 5—lucky dip, Year 6 – Sweet stall

Our 'all school' after school Pottery Club has already been a huge success!! The primary and secondary students had a great time designing and making their own unique coil pots, which are being fired ready for glazing. Next week they will be making thumb pot monsters. We can't wait to see the results!

Well done to year 8 for completing their collapsible chairs in their technology lessons. The chairs were made in two parts. They made the seat cover with Miss Price using batik and dyes to create a unique and individual pattern. They made the foldable chair with Mrs Herbert in the workshop using the drill press, hand drills, belt sander and wedges.
