

ST MARTINS SCHOOL

9 May 2025

Yesterday, our Primary children enjoyed a full day of VE day celebrations to commemorate the 80th anniversary of VE day. They all enjoyed a picnic lunch on the field – the cold weather didn't put anyone off., followed by a afternoon of singing songs . Nursery children even came to the Hub to sing a lovely rendition of "You are my Sunshine". All primary then met in the afternoon to share some songs that were popular 80 years ago. There was a rousing rendition of "We'll never meet again" !

Thank you to Aspens our caterers who served a VE THEMED AFTERNOON TEA for primary lunch, it was delicious especially the scones with jam!! Have a lovely weekend Ms Lovecy

On Thursday 16th May, Primary pupils are invited to Wear it Green for Mental Health Awareness week. There is no need to buy anything especially for this event. An item of clothing would be fine, i.e. socks, t-shirt with green on, tie, scarf, hat. No donation is required. During the week pupils will learn about the importance of maintaining good mental health. Let's turn the world green for good mental health!

Our EYFS team would like to say a huge thank you to R JW Electrics for their generosity and help in making sure all the right equipment was PAT tested; ready to incubate our chicken eggs and then keep the chicks warm when they arrive! Photo updates to follow.....

In our primary phase, with the better weather here, a little reminder about sending pupils into school with sun lotion already applied and a cap or sun hat. Please ensure your child has a labelled water bottle that contains just water. Summer dresses (primary) and shorts are also now welcome – please see website for further details. Also, can I remind parents/carers that pupils are only permitted to eat a healthy snack at breaktime such as fruit or a cereal bar. Fruit is provided by a Government scheme for pupils in Reception =. – Year 2
