

This week we have said our goodbye's to year 11. The year group were invited back into school for a special assembly where they could say goodbye to staff and of course have their shirts signed! As their time in St Martins School comes to an end, I want to take a moment to say how proud we all are. The year has brought challenges, growth, and moments that we hope they'll carry with them as they take their next steps.

Whether that's sixth form, college, an apprenticeship, or something else entirely, this is just the beginning of an exciting new chapter. We'll miss their energy, laughter and the unique spirit they all brought to the year group. They've made their mark, and we can't wait to see what the future holds for each one of you....but before that I look forward to sharing your Prom with you (Wednesday 25 June from 6.15pm)

As we say goodbye to year 11 we welcomed our new students into nursery , reception and year 7 as they took part in a days taster session. Other years groups in primary had their 'move up' day meeting their teacher for next year and getting to see their new classroom.

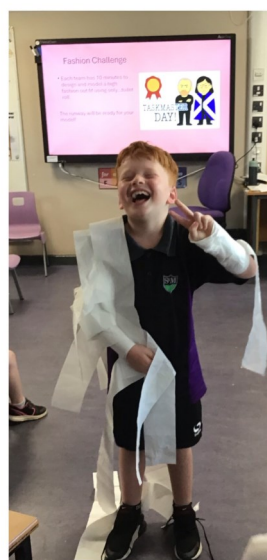

Ms Alison Pope the school interim headteacher from September came in to chat to staff and parents.

We have enjoyed our last WOW day of the academic year with lots of exciting events and activities to enhance the curriculum.

Year 5 spent the day using their sewing skills to create pillows, stuffed toys and phone cases. Year 8 languages learnt about the Welsh language and made their own corn dollies. Year 2/3 carried out a task master challenge based on their curriculum. They had lots of fun and worked well as a team.

Have a lovely weekend , Ms Lovecy

Y8's Spanish theatre trip to Moreton Hall on Monday. The group enjoyed a production in Spanish performed by Onatti Productions Ltd. The play was funny and very entertaining.

Year 7 recently enjoyed an educational day out as part of their *Castles and Coasts* topic. The trip included a visit to Denbigh Castle, where students explored the medieval fortress and learned about its history, defences, and the lives of people in the past. In the afternoon, we visited Rhyl promenade to have some free time on the beach. It was a fantastic day full of hands-on learning and discovery, combining both history and geography. Thank you to all the staff and students who helped make the trip such a success!
