

ST MARTINS SCHOOL

27 June 2025

Heather Jones has worked hard with our head of houses to put together our very own school Scarecrows . We are proud to take part in this St Martins village tradition—and hope everyone enjoys seeing them!!

72 Year 11 students were joined by members of staff to celebrate their time in school at their leavers prom. It was a lovely evening where we all came together to reflect on our time at St Martins school.

I hope many of our Year 11s will keep in touch and let us know what they go on to achieve — they are an amazing group of young people, and we're incredibly proud of them.

Talking of amazing ex students, we were treated to a dance master class by the very talented Tommie Hebson who came in for WOW day to work with secondary students. Tommie left St Martins School in

2016 to go on to study at Expression Academy of Performing Arts on a full Scholarship. Since graduating he has worked for many organisation as a professional dancer including Tui and Marella Cruises. He is well and truly living his dream!

Have a lovely weekend, Ms Lovecy
