St Martins School update 4 – Thursday 25th September 2025

Dear parents, carers and families of St Martins School students,

Some of you will have noticed that scaffolding is being erected at school, this is a positive step forward.

It was fantastic to see 66 cadets attend their session at Moreton Hall yesterday evening. It was a lovely opportunity for them to meet up with each other and to see some of our staff. Students reported that they were actively involved in home learning which is great to hear.

School also was able to continue with the weekly staff meeting: thank you to Rev Jermy for inviting us to use the church.

The school site team continue to work with contractors on site and sourcing contractors for future works to start. Progress is being made daily but the phased return of pupils is dependent on securing these contractors.

The school is closed to all pupils on Friday 26th September.
