'Every Individual is in a great school'

Letter from the Headteacher

Dear Applicant,

Thank you for the interest you have shown in our school.

St Martins School is a very special place. We deliver child-centred, individually tailored education because of our small size and unique position in our community. This family ethos surrounds all who work and study here, creating a safe, supportive and nurturing environment. Our recent Ofsted inspection described us as “a small school with a big heart” and commented on the fact that “senior leaders have high aspirations for every pupil and have created an ambitious curriculum to meet these high expectations.” The pupils build trusting relationships with staff, based on mutual respect from nursery to year 11 and feel happy, valued and safe.

I very much hope that after reading the information below you will feel that you want to play your part in securing the very best education for the students of St Martins.

The following ethos is a commitment shared by staff and governors. We will:

- Recognise and foster academic ability so that individual excellence can be achieved
- Deliver the highest quality teaching, enabling children to maximise their potential throughout their learning journey 3-16
- Create a family ethos of safety, support and nurture where respect for each other is a given
- Create an inclusive environment where children of all abilities and backgrounds make a positive contribution to school life and the wider community
- Encourage children to think independently and make informed decisions enabling them to have high aspirations about their future
- Work with children and families in constantly reviewing progress and supporting differing developmental needs

This is an incredibly exciting time as we further develop and maximise the value of being an all through school through the new pastoral system, school house structure and offer the very best transition and personal development for students.

About our School

About Us

Despite the fact that North West Shropshire is a rural area, our school has excellent road links and is easily accessible to many towns and cities. Some staff live in the surrounding countryside while others take advantage of the fact that historic urban areas such as Shrewsbury, Wrexham and Chester are in comfortable commuting distance. Oswestry, a thriving market town, is five miles from the school. The area offers a wide variety of attractive housing at prices which compare favourably with other parts of the country.

Facilities

The school has undergone a transformation over the last few years. This year we have been excited to open our new purpose built technology block and we continue to plan for our new recreation centre, including a 3G football pitch and community fields

Vision

Our vision is to ensure that St Martins School continues to be recognised as having a caring, nurturing environment and continues to be one of the most oversubscribed schools in the area. We promote a positive growth mindset, lifelong learning and we encourage everyone within our wider community to have a love of learning.

Our curriculum is designed to broaden our children's horizons, widen their cultural capital and empower them to be curious about the world around them. We firmly believe that reading is the 'master skill'. We aim to provide young people with the experiences they need to develop into confident individuals and responsible citizens who are equipped with the skills to meet the ever changing demands of 21st century life in modern Britain and be ready for the next stage of their education. We aim to foster partnerships with our parents and members of the wider community to develop and promote a learning community. The school is a highly valued and effective resource for our community.

As an all through school we are able to utilise teaching and learning expertise across every phase which enables:

- Sharing examples of good pedagogy between phases
- Enhancing continuity between the phases
- Developing an all through school ethos

✓ **Holiday**

Whilst holiday allowances vary across the roles, we offer no less than 27 days plus bank holidays– and to top it off, your holiday entitlement grows as your career does – as after five years' service you'll be awarded five extra days. Saving for those rainy days has never been easier than with our salary savings scheme where you can have your savings taken directly from your salary into an accredited savings scheme.

Plus, in the event of death in service, we'll pay up to three times your salary. All these give you financial protection and take away any worries – all at no cost to you.
