

MFL Revision General Guidance

1. Use the weekly summary put on teams to check the golden knowledge for that week and to complete the most important tasks that should have been done in the lesson- plus the home learning task.
2. Remember you can go back and access work you have missed – especially work set during the fire.
3. Make sure your CQ's are complete for modules 1 – 6.
4. Come to lessons having already revised the previous weeks lessons and ask for help with the parts that you don't understand.
5. Make sure you participate fully in lessons fully as this is where the learning starts – Be active and not passive.
6. Attend afterschool sessions on Monday or lunchtimes on Thursday for support. HW club weds.

MFL Revision Countdown.

Each week find time to complete the following:

- **100 words** - focus on one section – test yourself both ways - spoken and written
- **Active learn** - complete the tasks set for that week
- **Vocab** – divide a module in to sections and practice a section each day – identify the vocab you don't know so in the next round of revision these are the ones you spend time on.
- Complete the assigned **speaking task** – this could be read aloud, roleplay or photo task.
- **Core Questions** - choose the module/theme and practice - preferably with a partner. Its very important to be able to recognize the questions and the tenses.
- **Writing** – practice writing out your answers to core questions from memory – check for accuracy – correct – then rewrite again.
- **Apps** – go on to **GCSE bitesize** or **Duolingo** or **GCSE Pod** and set your own time limit to complete tasks weekly
- **Teams** – make sure you understand the **Golden Knowledge** for that week and complete the hw set – especially **exam style questions**

This may sound a lot but the principles are based on little and often. Bonne Chance.
